Our strengths

We have a lot to be proud of as a MAT. We're especially happy to see that you feel well respected by your colleagues the most.

Areas for improvement

Of course, there are areas where we could support you better to ensure quality working conditions and well-being. These are the areas where we need to see development and growth in the future:

We truly value the time and effort you put in to completing the survey. Here are some of the most repeated phrases from the open response questions.
